## THE THEATERS

San Toy, the beautiful Chinese opera in two acts will be given at the Robinson Grand, Monday evening, February 2.

The part of San Toy is taken by Miss Gertrude E. Ruthrauff, of Washington, D. C. Miss Ruthrauff is a very pretty, polite blonde, acts and looks the part to perfection, and is very clever in her songs and dances. She sings the "Butterfly" song particularly well.

Miss Angela McManaway takes the part of Poppy, a beautiful English lady, daughter of Sir Bingo very well. One of her strong features is the dance in the second act.

Miss Grata Carney, who as Dudley, the ladies' maid, has one of the best parts in the cast, and takes her part extremely well, and is very fine in her songs and dances. "The Ladies' Maid" and "Rhoda in the Parody," will sure be the hits of the opera.

Mrs. Robert O. Cook gives a good interpretation of Ko Tan, the leader of the Emperor's own.

Miss Laura Davis as Wun Lung, an old sweetheart of Li and the cast off wife of the Emperor, plays her part to perfection, and the six little wives of Yen How. Oh, my, aren't they cute, and the way they follow him around is a sight to behold. One of the richest scenes in the opera is the Emperor's Guard (6 girls) being drilled by Li.

The eight wives of the Emperor show their jealousy to good advantage in the scene when they realize that they have been superseded by San Toy.

Box office open Saturday morning January 31, at the theatre. Special cars to Fairmont, Bridgeport and Weston after the performance.

Cohan and Harris will begin preparations next month for the production of "The House of Glass," by Max March.

Helen Ware, the actress, lately entertained Helen Ware, the violinist, in Philadelphia. The artists with the same name had never met before.

The Dayton, O. Herald had the following to say of Miss Christine Miller, the noted contralto of Pittsburgh, who is to give another recital February 17 in the First Baptist church here under the auspices of the First Baptist church choir.

"Miss Christine Miller, one of the most eminent of America's youngest singers, is a contralto whose well modulated and personal charm of the deeply sympathetic understanding and personal charm of the singer proclaim her at all times an artist of high attainment."

Julia Marlowe will not have to undergo an operation for appendicitis, as her ailment has been diagnosed merely as an attack of indigestion, requiring a prolonged treatment.

A "Proposal from Mary" the sixth and last story of "Who Will Marry Mary?" will be shown tonight at the Odeon theatre together with "A Christmas Story" by the Vitaphone company and a fine Selig comedy. Patrons are asked to remember the second of the series of "The Adventures of Kathlyn," which will be shown Thursday. The vaudeville attractions are making good in every sense of the word, a fine acrobatic dancing act being put on by the Three Madcaps and Cunningham and Grassler bringing out big applause with their singing and talking skit.

George M. Cohan intends to retire from the stage this month and devote himself to playwriting. He may appear occasionally, according to his

Ethel Grandin in the photoplay, "Traffic in Souls."

Marguerite Snow's return to the Thanhouser Motion Picture Company after an absence of six months is announced by President C. J. Hite. As the star in the great Thanhouser production of H. Rider Haggard's famous novel, "She," Miss Snow created a sensation in the world of motion pictures, which was only second to the furore caused by her remarkable work in "Jess," by the same author, which preceded it.

Henry W. Savage is rehearsing "The King of the Mountains."

Several misleading statements have been circulated to the effect that the sensational photodrama, "Traffic in Souls," would be stopped by the police department of this city. These statements are far from the truth, inasmuch as this wonderful production was passed by the national Board of Censors and has received the favorable endorsement of the leading vice crusaders in New York.

There have been many imitations of "Traffic in Souls" put on the market, which have not gone to the trouble of making their story a moral one, and these imitations are the cause of misrepresentations and rumors that were circulated in this regard.

Harry Woodruff, with an American company, is to appear in London in a new sketch.

"Stop Thief," which appears soon at the Robinson Grand is said to hold the audience in mental handcuffs to the last act. There is also a triple love story, as well as the daring attempt of the thieves. Police and detectives mingle with the thieves, and they in turn are relieved of their valuables. Cohan and Harris have provided a splendid cast which includes John Webster, John Findlay, Charles Brown, James H. Manning, Sussane Willis, J. K. Hutchinson, Nan Francis, Fanchon Campbell, Dickie Delaro, Lela Frost, Mitene, Lewis, William Wagner, Lionel St. Clair, James T. Ford and other players of prominence.

Andrew Mack has begun an engagement in San Francisco in a repertoire of Irish plays.

Campbell B. Casad, the business manager in advance of "Within the Law," is an ex-newspaper man who formerly worked on New York dailies. He is also a playwright, being the author of "Don't Lie to Your Wife," the farce in which Dave Lewis starred for nearly four years. At present Mr. Casad is collaborating with Charles Dickson, the author of "Three Twins," on a serious drama.

## May Help You if

### Lungs Are Affected

Proper diet, fresh air and temperate habits are beneficial to persons suffering from Lung Trouble, but in a great many instances reports show that the addition of a medicine for throat and Lung Trouble, has accomplished good results. Read what it did in this case: "Gentlemen: In December, 1908, March, 1909, and September, 1909, I was taken with hemorrhages of the lungs which cost me several weeks, even time to my bed. My doctor advised me to go West. In November I started for Denver, Col. After my arrival I met Michael Brody, who, upon learning of my condition, urged me to take Eckman's Alternative. I kept on taking the medicine and improved fast. In March, 1910, I returned home and am entirely well, have a good appetite and sleep well. When I left Denver my weight was 120 pounds. I now weigh 165, my normal weight. I thank God and your Alternative for my health."

(Above abbreviated; more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Asthma, Stomach Troubles, Colds and in rebuilding the system. Contains no narcotics, poisons, or harmful drugs. Ask for booklet, telling of recoveries, and write to Eckman Laboratory, Philadelphia, for evidence. For sale by all leading druggists.

## Stork and Cupid Cunning Plotters

Many a New Home will Have a Little Sunbeam to Brighten It.

There is usually a certain degree of dread in every woman's mind as to the probable pain, distress and danger of child-birth. But, thanks to a most remarkable remedy known as Mother's Friend, all fear is banished and the period is one of unbounded, joyful anticipation.

Mother's Friend is used externally. It is a most penetrating application, makes the muscles of the stomach and abdomen pliant so they expand easily and naturally without pain, without distress and with none of that peculiar nausea, vomitiveness and other symptoms that tend to weaken the prospective mother. Thus Cupid and the stork are held up to veneration; they are raised as cunning plotters to hand the coming of a little sunbeam to gladden the hearts and brighten the homes of a host of happy families.

There are thousands of women who have used Mother's Friend, and thus know from experience that it is one of our greatest contributions to healthy, happy motherhood. It is sold by all druggists at \$1.00 per bottle, and is especially recommended as a preventive of caking breasts and all other such distresses.
